

Bid Round 59
Questions & Answers

Sauk County Farmers Coop
Commerce # 53913-2532-25-A
DNR BRRTS # 03-57-000508

Question: Have the wells currently at the site already been surveyed in to a National Geodetic Survey datum?

Answer: For purposes of the bid, assume yes. Elevation data for any new groundwater monitoring wells can be determined using existing on-site groundwater monitoring wells as reference.
